## CROP CONDITIONS IN OKLAHOMA

Oklahoma City, Ok., March 31.—An optimistic report on crop conditions in Oklahoma is made by the state board of agriculture in its monthly crop bulletin, although some crops are still below the average.

The state finds from the reports of 344 crop correspondents, covering all of the seventy-six counties in the state, that on March 25 the growing condition of winter wheat was 54.6 per cent, compared with 49.1 last month and 92.5 for March 25, 1910.

The reports indicate that very little damage has been done to the crop by green bugs and other insects, except in Cherokee county, near Tahlequah, where the damage incurred in one township is 25 per cent. The green bug is reported in Mayes, Carter, Johnston, Pottawatomie and Comanche counties. Although this pest infestation seems to be general in eastern Oklahoma, no serious damage to wheat or oats is anticipated as the state experts have the insects under control.

The growing condition for the twenty-five counties considered as the wheat counties is shown to be 58.6 per cent, which is 4 per cent above the state average and 12.2 per cent better than the condition reported last month for the same counties. Since these counties control the wheat production of the state, this must be considered as the true basis of the growing wheat condition in Oklahoma. Wheat has made a big improvement during the last month in a majority of the leading wheat-producing counties. This year's wheat crop will be spotted, as the reports show a wide variation in the condition in nearly all of the large producing counties. No reliable data could be secured at this time as to the wheat acreage sown last fall that will be abandoned. In some parts of Woods and Woodward counties quite a large per cent of the acreage has been abandoned and sown to oats on account of the spring rains coming too late to revive the crop.

The acreage of spring-sown oats shows a total increase for the state over the acreage of last year, of 40.5 per cent, every county except Marshall, McIntosh, Johnson, Craig and Adair reporting an increase. The large increased acreage is due to the fact that much land planted to wheat last fall has been sown to oats, and for the reason that a big oat yield was made last season. The growing condition of the crop is given at 82.9 per cent at the time of this report. Woods county heads the list of increased acreage, with 355 per cent, and Love next, with 300 per cent. The condition of 82.9 per cent this year's given condition, is compared with 88 per cent on March 25, 1910, and is better than was expected, as the freezing weather did not damage the crop as much as was expected.

The weather conditions throughout the month have been generally dry and the rainfall is much below the normal for the season, but there have been seasonable showers in many of the counties, particularly in the southwestern and western parts of the state. The counties reporting rain needed are Muskogee, Cleveland, Caddo, Oklahoma and Payne. The general condition on March 25, however, was dry, with rain needed at an early date in order to maintain the present condition of all crops.

Reports from all southern sections of the state indicate that corn-planting is practically finished. In the remainder of the state corn-planting is well under way and the ground is reported to be in excellent condition for seeding. Reports also indicate an increased acreage in corn and other spring crops.

Reports from seventy counties show the growing condition on March 25 to be 88.6 per cent, compared with 78.4 a month ago and 93.8 on the same date in 1910. The condition of spring pastures is given at 84.9 per cent, compared with 92 a year ago.

The condition of farm stock is reported at 90.5 per cent, with a shortage of feed in several localities.

The compiled returns show that the prospects on this year's fruit crop will be badly scattered, there being prospects of a good crop in some localities, while in others the crop is practically a failure. Much

## EARTHQUAKE FELT IN ARKANSAS

Little Rock, Ark., March 31.—Little Rock was shaken by an earthquake this morning at 10:50, during which mirrors were shaken from walls, desks and chairs in offices rolled about the room, and windows made to clatter.

H. F. Alcatorre, section director of the United States Weather Bureau, on the tenth floor of the Southern Trust Building, reports a considerable sway in that building while William C. Maas, commercial superintendent of the Southwestern Telegraph and Telephone building reports consternation in his building. The Union station, immensely heavy concrete and stone building, rocked perceptibly, and Prof. Lucas, superintendent of the state school for the blind, reports a severe shake in that institution.

### Causes Much Excitement.

In tense excitement followed the tremor and the newspaper offices were besieged with inquiries for additional information.

A special to the Democrat from Warren this morning says the earthquake shocks which occurred there did considerable damage to the property. The greatest damage report is that the smashing of the huge plate glass window in the front of the Merchants and Planters' Bank.

Several persons in the lobby of the bank narrowly escaped injury.

### Reports from Other Towns.

A special from Monticello says: "Every house in this town was badly shaken by the shock of this morning. Plaster was knocked from the walls, of the county court house, and several people narrowly escaped injury under the falling mortar. The High School building was greatly damaged, also, plaster being torn from the walls. In one residence no plaster was left on the walls."

At Fordyce great excitement prevailed; windows in the business houses were smashed by the shock.

A Democrat special from Dumas, Ark., says:

"A distinct earthquake shock was felt here at 10:50 a. m. The duration was about thirty seconds. The shock was very heavy."

From Judsonia comes a report of a light shock also.

### May Appoint Education Board.

Oklahoma City, Ok., March 31.—Gov. Cruce is expected to make his appointments of the new board of education in the next day or two. A list of all of the applicants for places on the board, eighty in number, was made up Thursday morning for the governor's consideration. Applications have been received from teachers, doctors, lawyers, farmers, business men, bricklayers and men in all conditions of life.

## KIDNAPPERS SECURE \$12,000 AND FLEE

Las Vegas, N. M., March 31.—Headed for the so-called "bad lands" near the Oklahoma line, four bandits, who kidnapped the two-year-old son of A. T. Rogers, Jr., a prominent attorney of this city, and compelled the payment of a \$12,000 ransom, are tonight closely pursued by a posse with the prospect of a conflict before morning.

Bloodhounds are being used in the chase and have kept closely to the trail. A telegraph message from the Bell ranch, 60 miles northeast of here tonight said that four men, be-

lieved to be the bandits passed near the ranch, riding at full gallop in a desperate attempt to elude the posse.

Cowboys from the ranch upon learning of the kidnapping immediately organized a posse and started trailing the fugitives. They sent word back that they had ropes primed for a lynching in case the kidnappers were captured.

The kidnappers from description are believed to be members of a desperate gang of postoffice and bank robbers, all ex-convicts and men who will sell their lives dearly.

A reward of \$20,000 has been offered for the capture of the kidnappers dead or alive.

Young Rogers is a grandson of Judge H. L. Waldo of Kansas City, and is heir to the judge's millions.

The boy was stolen several days ago, and a letter, directing the father to pay \$12,000 ransom if he wanted to see the boy alive again, was received at the Rogers' home.

Mrs. Rogers, who was in a state of hysteria, induced her husband to pay the ransom and get the boy back. She is ill in bed from her sufferings of the last few days and will not allow the boy to go out of her sight.

Tomorrow afternoon is the regular meeting of the Confederate veterans. The meetings of the old soldiers are always full of interest and should be attended by more of the Sons and Daughters.

### "ALL FOOLS' DAY."

We observe many days in honor  
of great men and most of the saints  
have a day dedicated to them. This  
is all very well, but the fools of the  
earth are in such a strong majority  
that it seems to us very fitting that  
one day of the 365 should be dedi-  
cated to them. They are certainly en-  
titled to it.

A plan is on foot to consolidate  
the Wewoka Capital with the Demo-  
crat. Newspaper men are finding by  
costly experience that the field in  
Oklahoma is sadly overcrowded and  
must be thinned out if any papers are  
left to tell the tale.

The more we think about it the  
more we like the idea of Ada tak-  
ing part in the Frisco booster excu-  
sion. There is no better way of  
reaching people than by going to  
them in their homes as will be done  
on this trip.

Considerable concern is being ex-  
pressed in some papers over the fate  
that is likely to befall Americans  
captured by federal troops in Mexico  
while in the service of the rebels.  
The News does not share in this con-  
cern, because those fellows have no  
business mixing up in such a scrap.  
They know their danger when they  
embark in such enterprises and de-  
serve no special favors when cap-  
tured. If they are hunting trouble they  
might find it nearer home, in a news-  
paper office, for instance.

"Times are hard" to be sure, but  
what's the use of climbing up on a  
dry goods box and day after day pro-  
claiming to the world this old thread-  
bare stereotyped assertion. We some-  
times ought to be still more string-  
ent with some of these fellows. Did  
it ever occur to you that the genuine  
husler rarely, if ever, complains of  
hard times?—Farmer and Laborer.

Alfalfa county will be the first  
county to take advantage of the law  
enacted by the recent legislature, au-  
thorizing county commissioners to ap-  
propriate money for premiums at  
county fairs. The fair will be held at  
Jet.

### John Crawford Guest of Honor.

At a banquet given by the Cleve-  
land Bar Association and University  
Law Students to be held at Norma  
April 8, Jno. P. Crawford is one of  
the guests of the occasion and also  
one of the principal speakers. His  
subject will be: "My Conversion."

This is understood to be his change of  
heart in regard to making an appro-  
priation for a law building. At first  
he was opposed to it, but later when  
he had made a personal investigation  
of the matter he was strongly in fa-  
vor of the appropriation and did all  
in his power to push it through.

Other speakers on the program will  
be J. B. Thompson, Gov. C. C. Cruce,  
Judge S. W. Hayes, W. A. Ledbetter,  
C. B. Ames, Supt. R. H. Wilson,  
Judge R. L. Williams, W. A. Durant,  
Pres. A. Grant Evans, Dean J. C.  
Monnett and Ben Williams.

### "A Girl's Mistake."

"A Girl's Mistake" was the play  
presented last evening by the Morey  
Stock company at the city hall opera  
house. The plot was unusually strong  
and the performance was also most  
excellent. In fact, this troupe has  
given productions of so high a grade  
that it is hard to decide which is the  
best of the lot.

This evening "The Whole Damn  
Family" will be presented. The pub-  
lic has heard much of that noted fam-  
ily during recent years, and will for  
the first time have the opportunity  
of seeing the entire bunch at once.  
Also the four rocking chairs that  
have been on exhibition this week  
will be given to lucky citizens of  
Ada.

### Report of O. C.

The Oklahoma Central railroad,  
now under the management of Asa  
E. Ramsey, of Muskogee, as receiv-  
er, in its annual report to the state  
auditor, shows an increase of mileage  
both in main line and sidetrack, and  
an increase in the value of its build-  
ings over the amount at which they  
were assessed last year by the state  
board. This year the road reports  
113.76 miles miles of main track, val-  
ued at \$668,800, and 14.42 miles of  
sidetrack, valued at \$14,430, or a  
total track valuation of \$683,230. Its  
buildings are valued at \$29,973. Last  
year 130.23 miles of main line and  
19.99 miles of sidetracks were re-  
ported, and the buildings were as-  
sessed at \$27,153. The total assessed val-  
uation of the road last year was \$1,-  
099,743.

## TWO ACQUITTALS

### FOR VAGRANCY

This morning Justice Brown's court  
took up the cases against the bunch  
run in yesterday on charge of vag-  
rancy. A jury was empaneled and  
Geo. Bacon was placed on trial. The  
case of the state was presented by  
County Attorney Wimbish while the  
defense was represented by J. W. Bo-  
len. The case held the attention of  
the court until almost noon. After  
a short period of deliberation the  
jury brought in a verdict of acquit-  
tal.

This afternoon Will Haynes was  
placed on trial. In his case the prose-  
cution exhibited two machines, alleg-  
ed to belong to him, and which it  
was claimed were used for fixing  
cards and loading dice. Other evi-  
dence was brought in by both sides  
and the jury gave a verdict of ac-  
quittal.

Quite a crowd filled the court room  
at both trials for the cases were  
the first of about thirty. Just what  
will be done in the other cases is not  
known yet.

ADA SOCIAL EVENTS.  
In Honor of Mrs. Griffith.  
This week has been marked by a  
number of entertainments in honor  
of Mrs. A. B. Griffith of Terrell, Tex.,  
sister of Mesdames Ebey and Gal-  
braith.

The first of these was a neighbor-  
hood party given Monday evening at  
the home of Mr. and Mrs. A. L. Beck.  
The Beckes are excellent entertain-  
ers and there is never a dull mo-  
ment for the guests enjoying their  
hospitality. The main feature of the  
evening was a game of 42. A delicious  
ice course was served the guests. The  
following were present Mr. and Mrs.  
W. H. Hart, Mr. and Mrs. Claude  
Rodarmel, Mr. and Mrs. W. C. Dun-  
can, Judge and Mrs. C. A. Galbraith,  
Mr. and Mrs. W. S. Morrison, Mr.  
and Mrs. W. H. Ebey, Mr. and Mrs.  
S. M. Torbett, and Mr. and Mrs. Frank  
Maddox.

Tuesday morning Mrs. Will Neth-  
ery entertained the 500 club at an  
early luncheon in honor of Mrs. Grif-  
fith. The ladies presented a magnifi-  
cent appearance in their new spring  
wear, and spent a most enjoyable  
morning.

Yesterday afternoon Mrs. B. A.  
Mason and daughter, Miss Irene, en-  
tertained a number of guests at 42,  
this also in honor of Mrs. Griffith.  
The house was beautifully decorat-  
ed. Tables were arranged for the  
games and as the players progressed  
from one to the other their score  
cards were punched by Misses Irene  
Mason and Estelle Torbett. In the  
way of refreshments a dainty salad  
course was served. The following la-  
dies were present: Mesdames Morri-  
son, Maddox, Rodarmel, Friereson, Mc-  
Kihery, Hope, C. R. Drummond,  
Brites, Barney, Ebey, Croxton, H. C.  
Thompson, Sledge, W. D. Hays, Gal-  
braith, Mayes, Lefevre, Bills, Gwin,  
Higgins, Manville, Hale, Duncan,  
Hart, Welborn, Wintersmith and  
Misses Sallie and Edna Fulton.  
This afternoon Mrs. Melissa Bills  
is entertaining a number of guests at  
42 in honor of Mrs. Griffith and Miss  
Edna Fulton.

Evangelistic services begin Sun-  
day at the First Church of Christ.  
R. A. Blalock, of Wagoner, preaching.  
A large attendance at the Bible school  
is expected by the superintendent,  
L. T. Walters at 9:45. At 11 a. m. the  
subject will be "Immortality" at the  
evening hour the theme will be "The  
Necessity of the Death of Christ."  
New song books have been ordered  
and the music under L. T. Walters  
will be a special feature. A young  
people's chorus will be organized at  
3 p. m. Sunday at the church, and  
all young people are asked to be at  
the church at that hour. Plenty of  
seats will be provided for all. Polite  
ushers to greet you, and you are a  
stranger but once.

Services will begin each evening  
at 7:30. All musicians and singers  
are invited to co-operate in making  
praise.

Junior C. E. at 3 p. m. Senior C.  
E. at 6:30. All seniors urged to be  
present as it is the monthly con-  
secration service and roll call.

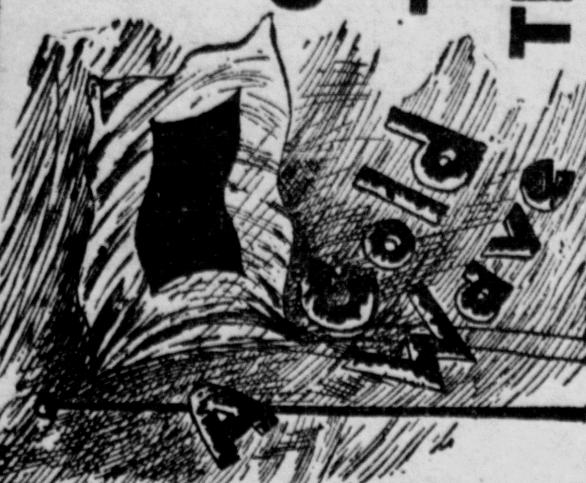

Officers' Meeting.  
The regular monthly meeting of  
the officers of the First Christian  
church will be held at church at 4  
p. m. Sunday.

PARAGRAPH PULPIT.  
The Bible is the foundation upon  
which your home rests. It is the safe-  
guard of our republic. You can not  
afford to ignore its commands. Ev-  
ery member of the church should  
count one in the Bible school. Be  
there at 9:45 tomorrow. If you do  
not attend Sunday school any where  
else come to the First Christian  
church. Revival meetings now on. R.  
A. Blalock, evangelist. Services each  
evening at 7:30.

Ladies' Aid Society Entertained.  
The Ladies' Aid and Mission So-  
ciety of the First Baptist church  
were entertained by Mesdames Dun-  
can and Kice at the home of Mrs.  
Duncan on Monday afternoon, March  
the 27th. Twenty members were pres-  
ent and a profitable and inspiring  
program was rendered on the subject  
"Elizabeth the Blameless." After the  
program was rendered the ladies en-  
joyed a delightful social hour. The  
guests were regaled with delicious  
refreshments. A liberal offering was  
made and all went away feeling that  
they had spent a pleasant and help-  
ful hour.

Paints Picture of His Sermon.  
The pastor of the Methodist  
church at Muskogee has a striking  
method of preaching his sermons as  
will be seen from the following clip-  
ping from the Muskogee Times-Dem-  
ocrat:

of the front end of the auditorium,  
on which W. Perry Nelson, Musko-  
gee's local artist, illustrated the song  
"Rock of Ages" while it was being  
sung at the opening of the service.  
When the song was finished Mr.  
Nelson had a picture of the Rock of  
Ages, a storm beating across  
with waves beating over it and a  
woman clinging desperately to  
it, giving the song a touch of real-  
ism that made it profoundly impres-  
sive.

Bolsheizer's drunken feast was the  
subject of the sermon, and while it  
was being delivered the artist was  
busy reproducing the story in a  
picture on the canvas in view of the  
entire audience. When the sermon  
was finished, the picture was com-  
pleted at the same moment, and the  
audience saw a banquet hall filled  
with a crowd of drunken revellers,  
staggering about the great room with  
broken wine glasses in their hands,  
the table in confusion and disorder,  
the white cloth stained here and  
there with pools of the spilled wine,  
and everywhere evidence of a dis-  
gusting drunken debauch, while the  
majestic figure of the prophet Daniel  
stands calmly and solemnly in their  
midst, pointing to the mysterious

## WATERWORKS IMPROVEMENTS.

Ada, Oklahoma.

Sealed proposals will be received by the City Clerk of Ada, Oklahoma, at his office in the City Hall, until 8 o'clock P. M., April 10th, 1911, for the furnishing of pipe and machinery to be used in the extension and improvement of the waterworks system of Ada.

Bids will be opened before the city council the same evening and bidders are invited to be present, and to submit bids on the following items:

For the pipe required for the construction of approximately 66,000 linear feet of 12-inch pipe line, either of steel or cast iron.

If cast iron pipe is used, the amount required will be about as follows: Class "B" pipe, 246 tons; Class "C" pipe, 2062 tons; Class "D" pipe, 750 tons, Total, 3065 tons.

If steel pipe is used, 66,000 linear feet of 12-inch, O. D. Converse joint pipe will be required.

Bids will also be received on 3,000 linear feet of steel pipe, 3-16 inch thick and 30 inches in diameter.

Also on cast iron pipe for extensions to the city mains, all class "B", approximately as follows: 12-inch pipe, 135 tons; 10-inch pipe, 124 tons; 8-inch pipe, 63 tons. 6-inch pipe, 142 tons; Total 464 tons.

For special casting, about 15,000 pounds.

For furnishing and erecting on foundations to be prepared by the City, two pumping units, each unit to consist of one horizontal, turbine water wheel, direct connected to a multi-stage centrifugal pump, each unit to have a capacity of 600 gallons per minute against a total head of 185 feet.

Plans, specifications, form of contract and proposal and full information may be obtained from the Consulting Engineers, Goodwin & Harper, 920 Scarritt Bldg., Kansas City, Mo.

Each proposal must be accompanied by a certified check of not less than 5 percent of the amount bid, made payable to the City Treasurer of Ada, Oklahoma, as a guarantee that the bidder receiving the award will enter into contract with the city and furnish satisfactory bond within 10 days after the contract is awarded.

The city reserves the right to reject any or all bids, to waive any informality, and to award the contracts as may be deemed to be the interests of the city.

### APPEARING OLD

Acts as a Bar to Profitable Employ-  
ment.

You cannot afford to grow old.  
In these days of strenuous competition  
it is necessary to maintain, as long as  
possible, one's youthful appearance.

It is impossible to do this without re-  
taining a luxurious growth of hair.

The presence of Dandruff indicates the  
presence of a burrowing germ which  
lives and thrives on the roots of the  
hair until it causes total baldness.

Newbro's Herpicide is the only known  
destroyer of this pest, and it is as effec-  
tive as it is delightful to use.

Herpicide makes an elegant hair dress-  
ing as well as Dandruff cure.

### ADA NORMAL SCHOOL

#### A PERMANENT FIXTURE

It is the declared policy of the  
state administration, and appears at  
present to be the thought of the con-  
trolling minds of the state that un-  
less educational conditions materi-  
ally change in Oklahoma before the  
assembling of an other regular ses-  
sion of the legislature; that there  
shall be discontinued—shut down—  
some of the state normal colleges.  
There are six normal schools.

For obvious reasons the Ada school  
will be forced into the forefront of  
those which must bear the brunt of  
the attack.

The very strategy of the geographi-  
cal location of the Ada school as  
compared to the location of the larger  
number of the others, and the very  
fact of its advantage as to the cen-  
ter of population and railroad facili-  
ties for ingress and egress over the  
others, strong superinduces the criti-  
cal attitude among many toward the  
Ada school.

Such is the anomaly, but it is true,  
though unwarranted by any concep-  
tion of justice and unselfish regard  
for the best interests of the greatest  
number.

When it is once declared by the  
legislature that that there shall be a  
reduction in the number of normal  
schools, it could not be regarded as  
a bad political summing up to as-  
sume first, that one or the other, Ada  
or Durant must go down.

The Edmond normal school, the  
oldest one, and only other than Ada,  
which is situated in the center of any  
appreciable number of the state's  
population, would naturally exert its  
influence in behalf of Durant as its  
most distant competitor and against  
Ada, its most formidable one.

The Alva normal school on the  
Kansas border, like the Durant nor-  
mal on the Texas border, not effect-  
ed by competitive regard, would prob-  
ably favor the retention of the Du-  
rant school as against the Ada school  
from sympathetic view and to main-  
tain consistency in defense of its  
border location.

Likewise, for allied and kindred  
reasons, it is not unreasonable to es-  
timate, that to the extent that self  
interest and protection might obtain  
the Weatherford normal school influ-  
ences on the west side and the Tahle-  
quah normal school influences on the  
northeast side might favor Durant  
over Ada. But the more immediate  
friends of Ada normal school those  
who are informed regarding past  
normal school legislation, the past  
comparative progress of the six state  
normals, have no fear that there  
can result in such paradox that the  
redoubtable strength of the Ada nor-  
mal school shall constitute its weak-  
ness.

While it is not conceded that the  
six normal schools as constituted are  
too many from the stand point of the  
greatest accomplishment for the best  
economy of expenditure; there is  
confidence that if the legislature  
should declare for a reduced num-  
ber of normal schools, that such de-  
cision will have been reached by the  
integrity of such conviction that poli-  
tics shall have no part in determin-  
ing which schools shall be sacrificed.

The physical situation of the Ada  
school is a sufficient guarantee of its  
permanency, if there shall be afford-  
ed a competent faculty and if there  
shall be enforced the subjugation of  
any vicious influences, local or  
abroad, which through ignorance or  
hellishness have been undertaken to  
undermine the integrity and useful-  
ness of the Ada normal institution.

Nearly every reader has heard of  
Doan's Kidney Pills. Their good work  
in Ada still continues, and our citi-  
zens are constantly adding endorse-  
ment by public testimony. No bet-  
ter proof of merit can be had than  
the experience of friends and neigh-  
bors. Read this case:

G. B. Dismukes, 17 Thirteenth St.,  
W. Ada, Okla., says: "Last fall I was  
suffering a great deal from a con-  
stant soreness through kidneys and  
across my hips. I had no doubt that  
this misery was due to disordered  
kidneys. A friend finally advised me  
to try Doan's Kidney Pills and I  
procured a box at G. M. Ramsey's  
Drug Store and began their use. In  
a few days my pains and aches had  
disappeared and the contents of two  
boxes of Doan's Kidney Pills re-  
stored me to good health."

For sale by all dealers. Price 50
